

EEIC Student Contract Agreement for AR-DMT Program

EEIC contracts with vetted faculty to provide sequential curriculum for the successful completion of the alternate route DMT training program. Each faculty is responsible for their own course content, delivery, evaluation and certificate of completion. EEIC is responsible for registration, tuition collection, student advisement and final transcript distribution.

In order to secure a place in each class, a non-refundable deposit/class towards tuition is required by the deposit due date (two weeks prior to start of class, unless otherwise specified). The deposit is a percentage of the total amount of the class.

If payment is made in full, a 5% discount can be applied using the discount coupon on the website at checkout.

Final payment is required by the start of class unless a payment plan is arranged with EEIC staff. Contact shurst.eeic@gmail.com to discuss payment plan options.

There will be no refunds for withdrawal after the second class. If a student needs to withdraw from a course after the withdrawal date has passed, the student may be eligible to apply the balance paid towards the next course cycle.

Upon completion of a single course, students will receive a certification of completion for their records to submit to the ADTA/DMTCB with their R-DMT application. Students will also receive a final transcript that lists all courses completed through EEIC in preparation for the R-DMT application. It is the student's responsibility to keep track of all courses they attended and completed successfully.

For those students who intend to enroll in the entire EEIC alternate route program in dance/movement therapy, an academic advisor will be available to consult regarding application for R-DMT. Those wishing to secure advisement should reach out to Laura Allen at lallen.eeic@gmail.com.

In the event an instructor is unable to complete their teaching assignment, EEIC will work to deliver the course by enlisting other instructors and/or extending the duration of the class to meet all syllabus requirements. EEIC reserves the right to cancel or reschedule classes for any reason, without penalty prior to the start of class. If EEIC is forced to cancel class, students will receive a full refund of the amount they paid into the course.
