**ALTERNATE  
ROUTE  
DANCE/  
MOVEMENT  
THERAPY  
PROGRAM**

**The Dance/Movement Therapy Alternate Route track (AR-DMT), seeks to inspire, develop and educate students in an age-old paradigm—the use of dance and movement as a tool for healing the body, mind, and spirit.**

The AR-DMT program is tailored to current and future therapists who seek to advance their practical knowledge of psychotherapy and the therapeutic relationship using the creative process involved in the art of dance.
